

## *Siege Marshal - Incoming*

Greetings from THL Dirk Edward of Frisia!

As the incoming DEM, I wish to thank Lord Diccon de Reinport for his service to our Kingdom and the siege community. Hoobah!

Service is important to our Kingdom and essential to supporting our activities on the field. Please contact me if you are interested in becoming a Siege Marshal and you too can help keep our Kingdom strong.

Winter time is a good time for siege maintenance and engine building if you have the space to work. This is also a good time to check all of your ammunition, repair anything that needs it, and replace or buy and build new ammo. Don't wait till spring. Do it sooner rather than later. If you are building a new engine this year, please contact me and let me know what you are doing. I will be glad to hear from you. Plan ahead, though. It won't be long before we'll be back on the field again.

In service,

*Dirk*
