4. Reports

A. Crown

1. Citizenship issue. Sir Garahan appointed. Still gathering information.
2. Another meeting will be scheduled via email, likely in June. Please utilize KSen Midair for guidance/gut checks in those instances you feel it necessary. Send business for Curia to Midair.
3. Email transition: All officer business is to take place under the "title name" email addresses. This should be the only place for officer communication. If it is realized communication is spread across multiple email addresses, please get that data into the officer's email so continuity is maintained. The old addresses will be transitioning, as will the old sites. There will be a period of transition. The hope is to have everything transitioned by January 2015.

D. KEM

1. Coursing Guild issue. Duchess Eanor has agreed to help bring the Coursing Guild under the KEM's office.
2. New Handbooks – Youth, Rapier, Armored, and Equestrian to be rewritten.
3. New Rapier Earl Marshal – Update.
4. New Youth Policies – Suggestions from Kazmir. Get rid of Division IV (because they can fight as adults). For 16&17, an adult now won't need to be present. Advanced authorization for anyone to allow them to fight with the youth (this is not automatic with Knighthood). The Society Deputy for Youth Combat is for these changes too. Note that youth will still have their own cards until they are 18; in this way it will be clear to the list table that they are different. - Update? Not at this meeting.
5. New Deputy for Web design - update.
6. Update on Calontir (fighter card) database—not going with that solution because it is not up to the data load. Duke Brannos, Sir Robert and Master Rocco are developing a solution to handle this information.
7. Kingdom Equestrian Marshal was removed and has been replaced.

E. K Chron

1. Server migration update.
2. Webminister changeover - approved candidate is Duchess AnneMarie de Garmeaulx.
3. Chronicler deputy/successor. Call for a successor about to go out to the populace. Current Pale Editor has applied and can currently be considered the emergency deputy if KChron incapacitated. However, KChron is still hoping for other applications before making the Pale Editor his successor. Sugged asking Lady Marissa von Atzinger to be Pale Editor.
4. Search is on for new editor of the Pale. Gunner has some candidates. - Update?
5. Unofficial Kingdom Blog: Scope, current participants, name suggestions.
6. Augustine/Blackfox awards. Currently going through the newsletters
7. to make nominations for the Society level awards for excellent newsletters.

- i. Cynnabar sent in a request to review their zip codes. Count Savaric is working on recommendations for Pentamere's border issues. He is still working on it.
- ii. The Incipient Canton of Athelington wishes to dissolve due to lack of members. Their zip codes and assets (if any) should return to the Barony of Illiton. Done.

- iii. Territory Transfer from Barony of Middle Marches to Barony of Fenix. In my charlemidair email account. Approved by everyone, but should get final approval in Curia. Soc Sen said this is internal. Approved.

3. Law changes

- i. Remove Court of Chivalry stuff from Kingdom Law. Law change printed in Pale and posted online. Discussed commentary. Instead of dropping it, we will look into replacing it. KSen volunteered to come up with a replacement law. Will not be addressed this reign.
- ii. Work on changing Kingdom Law IX-100 so Territorial Barons in their Barony are above Peerages, and below outside of their Land. Feedback from Royal Peers. Status? Discussed commentary. Cellach and Vukasin decided to not make any changes and leave law as is. Closed.

4. Requested that Minister of Youth and Law Clerk organize all the laws and rules governing minors. Ongoing. Excellent updates have been received, and KSen will continue to push for a resolution so we can move forward with fixes. Still being worked on, no status yet from Corporate.

5. Confirm approval of funds for Ryan Vallow to do web server migration/updates. Still need to figure out how to handle it year by year. Consider ad space on the Calendar page. Approved.
