4. Reports

A. Crown

1. Citizenship issue. Sir Garahan appointed. Still gathering information.
2. A reminder that at Curia there will not be a vote on anything unless it pertains to the Financial Committee. Everything else will be discussions and decisions that Royalty will decide. Officers still choose their own deputies, and are free to request advice from Curia.

B. Heirs

1. Coronation - Barony of Flaming Gryphon. Events Stewards – Mistress Rosamund Beauvisage & Master Dafydd Blaidd. Dayton, OH. Approved.
2. Crown - Shire of Greyhope. Hammond Civic Center; 5825 Sohl Avenue; Hammond, Indiana 46230. Approved.

C. KMoAS

1. Three Regional changeovers.

2. Still looking for a primary deputy.

#### D. KEM

1. Martial Handbook updates. Have update for Coursing (Marshallate for training for marshals). Still looks a lot like guild structure and so it needs to be improved. Going to push on this after the summer and he is confident it will get taken care of. KEM will have his iteration back for them by TRH's first Curia. Their key is to maintain the community, and it looks like they are moving forward.
2. Will have new armored Handbook. Editing to simplify. Top priority.
3. Archery deputy is stepping down. That replacement must rewrite the handbook.
4. Checking numbers on maces.
5. Talked to Brannos about the database with respect to cleaning up the fighter database for reports, etc. Big, ongoing problem. This will fix the actual numbers. Brannos is putting a deadline on this. Ultimate goal is to have a GUI interface to check their own status. "GEICO-app" style.

#### E. K Chron

1. Server migration. KWeb reports that mail and groups have been migrated to Google. Static pages are next. Groups will be group.midrealm.org. Need Curia to stop using old email addresses, and migrate to "position@midrealm.org". As discussed by TRM, everyone should run on midrealm.org email in order to pass that information on to their successors. Do not forward from offer email to personal email and answer it from personal email. There will be training to get people to use new pages. Ryan's status was discussed. He cannot do the database. He will see the project to completion, even after the cash runs out. Gilebert is still working and helping the KWeb.
2. Chronicler deputy/successor. Genoveva will be asked to be Pale editor. Gunnar will be succeeding as KChron.
3. Unofficial Kingdom Blog: Scope, current participants, name suggestions. This will be discussed over email.
4. Augustine/Blackfox awards. Have not heard back yet.

#### F. KHer

1. Submissions heralds - will not charge for resubmissions.
2. Proposal about Minister of Protocol office from Dag. Discuss on Curia.

#### G. K Chir

1. Recreating roster.
2. Need Regional for Midlands.
3. With respect to the Society decision about the Chirurgeon office, there is a new committee formed to investigate. They still haven't figured out what will be done.

#### H. KExch

1. Status of groups in financial probation. Hawkland Moor may be put on the list for non-reporting.
2. Financial Policy Changes. Discuss later.
3. Pennsic Improvement Proposal - Duke Dag. Discussion. We are reviewing finances, and if we can't afford it we will do a fundraiser. Discussion moved to online.
4. Second Quarter report filed.
5. Request from Curia for a full update of our financial numbers to be delivered at the October Curia. How much do we have, how much do we need to run the Kingdom over a five year trend, and what money is already earmarked.

#### I. KSen

1. Deputies
  - i. Kemma Quatremaine, mka Kim Allen the current Constellation Regional Signet, took over as Calendar Secretary from Gwalchmai ap Bledig called Malachai (Jack Needles).
  - ii. THL Christiana de Burgh, South Oaken Regional, stepping down (Kristi Ross). Replaced by Lord Angus Drummand (John Drummands).
2. Groups
  - i. Cynnabar sent in a request to review their zip codes. Count Savaric is working on recommendations for Pentamere's border issues. He is still working on it. He has not been able to get responses from emails. Request for Cynnabar Seneschal to send request packet to TRH. TRM and TRH are prepared to get involved now.
3. Law changes
  - i. Remove Court of Chivalry stuff from Kingdom Law. Law change printed in Pale and posted online. Discussed commentary. Instead of dropping it, we will look into replacing it. KSen volunteered to come up with a replacement law. Will not be addressed this reign.

4. Requested that Minister of Youth and Law Clerk organize all the laws and rules governing minors. Ongoing. Excellent updates have been received, and KSen will continue to push for a resolution so we can move forward with fixes. Still being worked on, no status yet from Corporate.
  5. A reminder that, per Kingdom Law, everyone gets warranted at each Crown Tournament Curia.
5. Next Meeting: Crown Tournament, Midair to figure out a place for a Sunday meeting.
  6. Adjournment – 6:30
