

Midrealm Internal Letter of Acceptances and Returns

23th August 2018

Greetings I send, Estelle Rouge Scarpe, unto the Midrealm College of Heraldry. Here follows is the Midrealm Letter of Acceptances and Returns for the Internal Letter of Intent dated July 17th, 2018. My thanks to Jean Yves de Chierebourg, Iago ab Adam, Michael Gerard Curtememoire, Steve of Tirnewydd, Basil Dragonstrike, Edbourough Kelly, and Ragna Ulfsdottir for their commentary.

1: Laurentius Le Rous -New Device Change

Quarterly argent and gules, a double-headed eagle sable and on a point pointed azure a crescent Or.

Decision: Forwarded.

2: Sazia de Sarro -New Badge

Azure, between in pale an escallop inverted argent in chief and a ford in base a pair of magpies addorsed statant tails crossed proper.

Decision: Pended for 1 month.

An IAP will need to show a) inverted escallops, or upright escallops and similar charges inverted; b) birds addorsed with tails crossed, or multiple other creatures addorsed with tails crossed and/or entwined; c) fords; and d) this arrangement of charges. The Submitter and/or their consulting herald should be advised to go looking for examples of these things as found in later Italian armorials to provide in commentary on the External Letter.
