5: Aturdokht of Dark River -New Badge

(Fieldless) A rabbit rampant azure, winged and attired argent, maintaining in its paws a fireball proper

Decision: Forwarded Reblazoned as “(Fieldless) A rabbit rampant azure winged and attired of a stag's antlers argent maintaining a fireball proper.”

6: Clarissa de Corvus -New Device

Argent, three ravens sinister two and one sable between a chevron purple

Decision: Forwarded Reblazoned as “Argent, a chevron purple between three ravens contourny sable.”

7: Clarissa de Corvus -New Badge Change

Argent, a raven close to sinister sable

Decision: Returned for conflict with the device of Ansgar von Hohenkrewe: “Argent, a corbie contourny sable and a bordure indented vert.”

8: Gunhilda Filippini -New Augmentation of Arms

Or, a gothic letter 'G' and a dexter tierce purpure and in augmentation to dexter chief a quill Or

Decision: Forwarded. Reblazoned as “Or, a gothic letter 'G' and a dexter tierce purpure, and for augmentation a quill pen Or in canton”. This submission is in violation of precedent banning charged tierces (Feb 1991 CL). However, since this is an augmentation of a recently submitted device, and we know that augmentations can bend some established rules, we are sending this up to determine if an augmentation can be placed in canton over a tierce.

9: John Roslyn the Ox -New Augmentation of Arms

Vert, between a chevron surmounted by a chevron inverted a bull passant contourney argent, and for augmentation in canton a pear Or

Decision: Forwarded Reblazoned as “Vert, between a chevron surmounted by a chevron inverted a bull passant contourny argent, and for augmentation in canton a pear Or”.
