IN PRAISE OF SUMMER

Mawl i'r Haf

Summer in paternal pride  
Begets the trees' pleasing shade;  
Forest-master, wood-watcher,  
High tower, hill-thatcher,  
Regal ruler, virile member  
Blows the world from an ember.  
Summer, source of wondering words,  
Dwelling of each spreading wort,  
Balm for growing, in a welter,  
Ointment, bewitchment of the woods.
